

## GERRY COKER AWARD FOR EXCELLENCE

Is to be granted annually to an Austin-Healey 100, built between 1952-1956 and which still has kept its unique original classic lines.

This legendary sports car, originally designed by Gerry Coker, totally lived up to Mr. Donald M. Healey's sporting performance expectations.

This award is presented to a car that exemplifies this distinctive combination of style and driving enjoyment.

## HOW TO TAKE PART WITH YOUR HEALEY 100 IN THE NOMINATION OF THE **2023** GERRY COKER AWARD FOR EXCELLENCE TO BE HELD IN 2024 (date to be announced)

1. Just send an email or letter of 500 words or less, with the complete history of your car and also containing a motivation of why you think that your car still has the stamina and performance associated with this model and with the Award.
2. Send a list of all car shows or concourse events in which your car has been taking part.
3. Send a list of all (semi-)competitive events in which your Healey 100 has been taking part, extensive (contesting) stages and drives included.
4. Please also send in recent color pictures of the front- and back of the car, a profile, the interior and of the engine bay.  
Pictures by email must be - if necessary - sent over in jpg-format. Pictures sent by postal mail will not be returned.

**(Please note: Registration for the nomination can be done either by the owner himself or by a third party)**
